

a little bit Diamond  
Neil Diamond Tribute Show

[alittlebitdiamond.com](http://alittlebitdiamond.com)

One of the most well done and well thought out Neil Diamond tribute shows touring today.

Set in the backdrop of Neil Diamond's most famous concert ever, **Hot August Night**, a little bit Diamond captures the look, the sound and the feel of a actual 1970s Neil Diamond Concert.

With a full back up band, a little bit Diamond performs all the hits from **Hot August Night** along with hits from Neil's later years, including songs from **The Jazz Singer**, Desiree, Heartlight, Forever In Blue Jeans and more.

This show is guaranteed to get the crowd up and out of their seats, singing, dancing the entire night and even on their way home.

Be sure to get a little bit Diamond on your calendar today!
